I understand that the training, instruction and / or lessons that I will receive from Budokan Karate USA involves strenuous physical activity and physical contact with the instructors and students of Budokan Karate USA. These activities may be hazardous and may result in personal injury.

The person and guardian, if applicable, whose signatures appear below states that he or she has no knowledge of any physical condition that would render these activities dangerous and / or hazardous to his or her health, the fellow students or the instructors. I promise to notify Budokan Karate USA immediately if such conditions should develop.

Budokan Karate USA and its instructors will take reasonable care to prevent accidents and minimize injuries. We require that the students obey the rules and regulations of the school.

The person or guardian whose name appears below, waives with full knowledge, any rights to legal action of any kind against Budokan Karate USA and its instructors, arising as a result of taking martial arts classes as a student, or as a result from any competitions that may be entered as a student of Budokan Karate USA.
